I 'm a Nomad, I can't stay in the same place
for too long and every place soon becomes my home,
I love planning my travels, I'm so curious
and I love discover everything in a country

On blog, I'm the art director and I write all the articles
and travel guides:

I try to describe tastes, smells, sensations and atmospheres
but I always include all the useful information
to planning a trip

A man with dark hair, a mustache, and sunglasses is wearing a white tank top. He is looking slightly to the left. The background is a soft-focus outdoor scene with a blue sky and some buildings.
